

## CLAUDIO HOTTER EJECUTIVE CHEF

Born near Innsbruck in western Austria, our current Executive Chef began his career at Zillertalen Hotel Branch School; one of the most recognized gastronomic institutions in the country. Upon completion of his studies, he developed his talent in various resorts in Switzerland, learning the different cooking styles of Central Europe.

His interest and desire to learn about other cultures and their culinary traditions lead him south, to the coast of Murcia, La Manga, Spain, where he gained experience in Mediterranean cuisine. His next culinary station was Mexico; Cancun, Merida, the Riviera Maya, Puerto Vallarta and today, the Riviera Nayarit.
