

CHEF ELISEO IBARRA

Interest and curiosity are the principal elements conveyed in Chef Eliseo Ibarra's cuisine, which highlights the flavors of France and the Mediterranean.

These qualities have led him hold prominent positions in various hotels and restaurants, such as the Club Gourmet Restaurant, El Jardín, and the Holiday Inn.

Years later, his innate talent and determination brought him to Grand Velas Riviera Nayarit resort, where he served as Sous Chef. He then took on the role of Executive Chef at the resort's sister property, Casa Velas.

Chef Ibarra delights diners with delicate compositions and subtle flavors that satisfy even the most sophisticated palates.
